The Rusty Gull
Best Live Music Venue

The Rusty Gull is a true neighbourhood pub in historic Lower Lonsdale. It has 18 unique ales, bitters and lagers on tap, with the selection frequently changing to accommodate new and unusual arrivals. The pub also creates legendary food, from beer-battered fish & chips to mountain burgers and weekend breakfast until 2 p.m. For more than 26 years, the Gull has been the North Shore's home to live music. Crowd favourites include the Mostly Marley Band, the Bobcats and Silverload, plus an eclectic selection of local bands. From award-winning food to the North Shore's best pub venue for live music, a trip to The Gull is always a fun experience.

Second Wave

Best Board & Ski Shop

Grassroots surf skate and snowboard shop in the meca of skateboarding and snowboarding. (surfing as well but we'll keep that to ourselves)

You'll find knowledgeable staff that live and breathe these activities and are eager to share our knowledge with you so that you are warm and comfortable on the slopes or in the water. (Your girlfriends snowboard boots will be comfortable and everyone will have a good day)

With all the big box options out there we are an independent store that carries the best product from the best brands and can back it up with true knowledge of the product specific to the Pacific Northwest and our experiences out there.

Come check it out!
